

- **Material:** thermoplastic with glass fibers
- **Color:** matt black

Inserts with galvanized steel thread.

If a certain minimum quantity is met, it is possible to deliver other colors.

Selected variant

Product name	Adjustable clamping lever with galvanized thread, PA+GF, black
Product code	0
Length L (mm)	79
Diameter d (mm)	20
Height h (mm)	12
Weight (g)	57
Height C (mm)	48
Height E (mm)	20
Thread D	M12
Diameter M (mm)	27
Height H (mm)	67
