There is a blind brass sleeve with internal thread for fastening from below.

If the minimum quantity is met, it is possible to have a hole drilled with a specific dimension.

Selected variant

Product name	Bridge handle with internal thread closed, PA+GF
Product code	0
Width E (mm)	28
Height F (mm)	51
Internal height C (mm)	42
Length A (mm)	200
Pitch B (mm)	179
Thread D	M8
Thread depth H (mm)	9
Weight (g)	101
