

Hex cap with tear-off tab for quick and easy removal.

Most commonly used to seal hydraulic applications to prevent damage during shipping, heat, dirt, moisture and corrosion.

- **Material:** LDPE, TPE
- **Color:** black, red

Selected variant

Product name	Hexagonal tear-off covers
Product code	0
Side B (mm)	19,7
Material	LDPE
Height C (mm)	20
Color	černá
Side A (mm)	16,8
Metric	M17
