

- **Material:** duroplast
- **Color:** black or red

Pre-drilled internal brass thread that protrudes.
Easy installation.

On request, it is possible to produce the thread also from galvanized steel or stainless steel.
By meeting the minimum order quantity, other color versions can also be supplied.

Selected variant

Product name	Star nut with six peaks, brass thread, duroplast
Product code	13011
Diameter B (mm)	25
Height C (mm)	32
Head height G (mm)	17
Diameter A (mm)	50
Thread depth E (mm)	18
Weight (g)	50
Color	červená
Thread D	M12
Height F (mm)	15
