

- **Material:** duroplast
- **Color:** black

The screw is made of galvanized steel.

Upon request, the screw can also be made of copper or stainless steel.

## Selected variant

| Product name        | Star screw with six points, lightweight, Duroplast, black |
|---------------------|-----------------------------------------------------------|
| Product code        | 13142                                                     |
| Thread D            | M8                                                        |
| Height G (mm)       | 18                                                        |
| Screw length L (mm) | 60                                                        |
| Head height C (mm)  | 33                                                        |
| Diameter B (mm)     | 25                                                        |
| Weight (g)          | 67                                                        |
| Diameter A (mm)     | 50                                                        |
| Height F (mm)       | 15                                                        |

## Variants
