

- **Material:** duroplast
- **Color:** black
- **Temperature range of use:** -20°C to +130°C

## Selected variant

| Product name    | Cylindrical handle with self-locking nylon insert, duroplast, black |
|-----------------|---------------------------------------------------------------------|
| Product code    | 17099                                                               |
| Diameter d (mm) | Ø14                                                                 |
| Diameter A (mm) | 29                                                                  |
| Weight (g)      | 84                                                                  |
| Length L (mm)   | 115                                                                 |
| Hole depth E    | 45                                                                  |

## Variants
